

To: Clinical Lead

Subject: NICE IPG [number]

Dear [name of lead clinician]

NICE Interventional Procedure Guidance [number] – [title]

The above guidance has recently been published by NICE. A copy can be obtained from their website at:

[https://www.nice.org.uk/guidance/\[link\]](https://www.nice.org.uk/guidance/[link])

THIS GUIDANCE HAS/HAS NOT [delete as applicable] BEEN ADOPTED BY NICE.

I would be grateful if you could respond to the questions below as soon as possible indicating whether this guidance is applicable to SFT and, if so, whether or not we are compliant.

Select 'Reply' or 'Reply to all' on the toolbar above, then delete YES or NO in response to the questions below as appropriate. Thank you.

1.	Current practice already meets the recommendations. Compliant with NICE guidance.	YES/NO
2.	Not undertaken here and no plans to do so.	YES/NO
3.	Not currently undertaken here but may do so in future. We will inform the Head of Clinical Effectiveness and follow the Trust's policy 'Introduction of New Health Technologies' available on ICID at: http://icid/ClinicalManagement/OperationalIssues/Pages/IntroductionofnewhealthtechnologiesintoSHCTCP.aspx	YES/NO
