

## **Paediatric Mental Health Liaison Service, AWP**

Below is the phone number for the CAMHS telephone advice service based in RUH, Bath. While not being able to make assessments, this service does operate out of hours to give advice for crisis CAMHS cases possibly needing TIV admission in the whole of Wiltshire. It will also hope to organise TIV spot purchase, with the commissioners help.

**Paediatric Mental Health Liaison Nurse      01225 428 331**

**There is also an on call manager, currently 0777 073 6467**
